Pure Air Control Services, Inc. is a world class indoor environmental consulting and services firm with expertise in Building Sciences, Industrial Hygiene, Microbiology, HVAC Services, and Mechanical Engineering.

**The Pure Air Team consists of these highly specialized divisions:**

**Building Sciences**
- Over 600 million square feet of experience
- Environmentally Trained Personnel
- Environmental/HVAC Maintenance
- Proactive IAQ Development Programs

**Environmental/Forensic Building Evaluations**
- Building IAQ Diagnostics
  - Mold Assessments
  - Allergen & Dust Screening
  - Contaminant Source & Risk Assessments
  - Wall & Floor Moisture Testing
  - Infrared Thermography
  - Temperature & Humidity Logging
- HVAC Hygiene & Performance
  - Airflow & Energy Efficiency Testing
  - Air Conveyance Hygiene & Prioritization
  - Duct Leakage
  - Building Pressure Analysis
  - Air Filtration
  - Post Construction Evaluations
  - Building Air Tightness Testing

**BRS Services Include:**
- Over 600 million square feet of experience
- Environmentally Trained Personnel
- Environmental/HVAC Maintenance
- Proactive IAQ Development Programs
- Predictive Maintenance Programs (PMP)
- Mechanically Licensed - State of Florida - CAC057992
- OSHA Health & Safety Trained
- DBPR State of Florida Licensed Mold Remediators (MRSR)
- NADCA Certified

**EDLab**
- Mycology: Molds, Yeasts, Thermophilic
- Allergen: Polyclonal and Monoclonal based
- Immunoassay: Dust mite (Der p 1, Der f 1, Mite Group 2), Cockroach (Blag 2), Cat (Feld 1)
- Bacteriology: Aerobic, Anaerobic, Thermophilic
- NYS DOH ELAP (Lab #12086)
- Legionella: PCR/DNA, Culture, Fluorescent Antibody
- Asbestos, Lead: Dove Lab NVLAP 102053-0
- Microscopy: Bright field, Fluorescent, Phase Contrast
- Mycotoxin & Gravimetric Analysis
- CDC Elite Program Laboratory
- NY ELAP #12086: The New York Environmental Laboratory Approval Program

**Professional HVAC, Building & Mold Remediation**
- AEE Certified Indoor Air Quality Professionals (CIAQP)
- ACAC Certified Indoor Environmental Consultants
- DBPR State of Florida Licensed Mold Assessors (MRSR)

**Indoor Air Quality Experts**
- Indoor Environmental Project Management
- Energy Consultation
- LEED v4 IAQ Testing
- USP 797 Microbial Testing
- NCI HVAC Testing & Balancing
- Economical IEQ Testing Cleanliness and Performance Verification
- IEQ Testing

**BRS Services Include:**
- HVAC Hygiene & Performance
- Airflow & Energy Efficiency Testing
- Air Conveyance Hygiene & Prioritization
- Duct Leakage
- Building Pressure Analysis
- Air Filtration
- Post Construction Evaluations
- Building Air Tightness Testing

**Engineered Solutions HVAC Hygienic Cleaning**
- HVAC Hygienic Cleaning
- PURE Duct Hygienic Duct Cleaning
- PUREDECON Room/Building Disinfection
